## Getting Ready

There has been a lot of preparation taking place at Central Methodist Church over the last few months to get us ready for re-opening our Church.

**We are aiming to re-open the church for worship on the second Sunday in September — 13th September.**

Things will be quite different as we get used to the 'new normal'.

Doors will open at 10.15am with the service starting at 10.30am — a "Streamed service" which will then be projected.

Sadly at this moment in time we are not permitted to sing — humming is probably alright but Face masks have to be worn in line with government guidelines. However, if you wish to follow the songs and readings please bring a hymn book and bible.

Social distancing of 2 metres remains in place throughout the premises, and hand sanitizer stations are in place in the main entrance & throughout the church **which must be used on entrance and exit.**

We have 'fixed' and pre-positioned chairs to achieve the correct social distancing requirements, and the most we can hold in the church will be 20.

So you need to book a place for one of the limited seats, or you will miss out, which we would rather not happen.

After the service we are sorry to say that we are unable to serve refreshment at this stage, but that doesn't mean you cannot bring a drink for during the service for yourself.. but remember, sorry no socialising.

Monetary offerings may be placed on the offering tray at the back of Church, though we'd prefer you to set up a standing order, or bank transfer to help you and us.

### Track & Trace

Upon arrival we must complete a 'Track and Trace' form with a few of your details; which we will keep for 21 days then destroyed.

Name.....  
Telephone.....  
Date.....

This is the situation as it stands now, but as we all know, this could be subject to change — we look forward to meeting and greeting you again, or for the first time at Atherton Central Methodist Church

### One last thing!

If you feel unwell, or uncomfortable with attending church at this time, then do please stay at home and take care.
