- October Newsletter

'Lord, Your glory fills my heart'

Our Harvest Weekend celebrations went really well, with a very successful Soup/Sandwich/Scone lunch - **perhaps something to be repeated?** Thought provoking service from Mary and The Leigh and Atherton Foodbank were grateful to receive the produce you donated.

Envelopes are available each week for your offerings and these should be placed on the collection plate at the entrance to the Worship Area, as we are advised still not to hand around the collection bags. Should anyone wish to pay by bank payment weekly or monthly then please see Betty for details.

Our Church Council Meeting will be held in church on Tuesday the 12th October at 7.30 p.m. Please try to attend if you a member of the Church Council, however, the meeting is open to all.

On Sunday 17th October our morning service will be led by Revd Wilfred Robinson, our Superintendent Minister and this service will be streamed to other churches in the circuit and those accessing via zoom or dial in. It would be lovely to see you all.
