John 20: 19-20

On the evening of that first day of the week, when the disciples were together, with the doors locked for fear of the Jews, Jesus came and stood among them and said, "Peace be with you!" After he said this, he showed them his hands and side. The disciples were overjoyed when they saw the Lord.

Services on 27th April

There are separate Local Arrangements planned at Culcheth and Glazebury this Sunday. These will be Easter Offering Services using material from Methodist Women in Britain. The Easter Offering envelopes will be available at both services this Sunday.

Coffee Shop at Culcheth

The Coffee Shop will be open this **Saturday 26th April**. All are welcome so do please come and join us for hot drinks, for toasted tea cakes and crumpets and for fellowship.

The weekly Coffee Shop has become an essential part of our church life, offering a welcome to all, providing a valuable time for fellowship and drawing people from the church and community into friendship. I'm very grateful to the volunteers who have been staffing the rota but to avoid putting undue demands on them we really need more volunteers to help spread the load. It's a very pleasant and friendly social occasion and you wouldn't be involved normally more than once every 6 to 8 weeks. If you feel you might like to do this please have a word with me. To date only 1 additional volunteer has come forward for which we are very grateful. Please give careful consideration to whether you could offer help or encourage someone you know to come forward. I'm happy to talk about what it entails.

Sunday Tea at Culcheth

This is a plea for people to consider whether they could join the list of folks who brew up for us on Sundays and enable so much fellowship to be enjoyed. The duty does not come round too regularly...on the current plan to mid May we have 7 services at CMC and whilst we have 5 pairs of "brewer-uppers" we are fast approaching the time of the year when many people are away and I am struggling to fill this quarter's rota.

Please let me know if you think you could help and I will tell you what it entails(honestly not much more than getting a bottle of milk, setting out, serving and washing up).

Many thanks, Linda Bloomfield

Food Bank Collection at Culcheth

Thanks to all who donated last weekend. All gifts are much appreciated.

This week we were asked to request plain cereals (cornflakes, rice krispies or Weetabix), instant mashed potato, long life milk and toothbrushes. Supermarket's own versions are very acceptable. Thank you for your continued support for the needy people who visit the Food Bank. Ray and Irene

Letter from Joyce and Peter Davies

Dear friends

Thank you for all the good wishes we have received. We have been overwhelmed by the warmth and kindness expressed in the many cards we have been sent.

We are glad that the move was well organised by our daughter Lyned who lives just 10 minutes walk away. The flat we have moved into is part of a well run residence and we are very comfortable. We also have a wonderful view of the valley from our windows. We have settled in well but naturally we miss Culcheth and our friends, having lived in the village for so many years. We remember the church being built and we attended the opening service. The church provided many out of school activities such as Saturday morning film club, uniformed organisations and youth club. It is sad there is no longer a Sunday School as this was very popular in those days. Unfortunately that is the case in many churches. The Reverend Bill Denning was minister when we became members. He instigated the family camps and they in turn led us into family camping holidays.

We hope to attend the Easter service at Eldwick church which is a merged Methodist and Church of England church. I have attended one service there with Lyned - unfortunately Peter was not feeling well that day. Everyone was very friendly and welcoming. They have a church garden and the grounds back on to open moorland. It is not as well protected from the weather as the garden in Culcheth but it is very lovely.

We wish you all a happy Easter.

Joyce and Peter

Culcheth Methodist Church Community Garden.

After what seemed to be a slow cold start to the year, plants and flowers are now bursting into life and cheering us with their colour. The Church grass has had its first cut and plans are underway for the Church garden.

As it an Open Gardens year it would be great to make it extra special and to incorporate some different ideas which would also attract and provide opportunities to engage with the wider community.

There are only a handful of us doing the practical work now so any help would be much appreciated. Equally, we know that not everyone is able to offer manual help but you may be able to nurture seedlings or have some wonderful ideas or crafty creations that could enhance the garden, and it would be lovely to have input from wider sources.

If you have any thoughts or ideas at all please do speak to any of us. Heather Boley or Ashley or Janette Hutchinson (01925 766819/07729313466). Thank you!

Culcheth Methodist Church 60th Anniversary Sep 25 – Sep 26 Planning Update

Culcheth Methodist Church was dedicated in May 1966, almost 60 years ago. A small anniversary planning group consisting of Joyce Daniels, David Ogilvy and Jon Purcell have started to plan a series of events to celebrate the 60th birthday of our Church. Proposals will be forwarded to next week's Church Council meeting but in the meantime, there are ways in which everybody can help plan for this year of celebration, remembrance and thankfulness. We are keen to have your ideas and comments which could be added to the mix and we would welcome help with the planning.

How can I help?

There are lots of ways in which everybody can help the Planning Group. These include submitting

- Photographs of church events both formal and informal taken during the last 60 years
- Printed material such as newsletters, circuit plans, reports, church publications etc spanning the last 60 years
- Personal memories of being involved in the church. Were you married there for example or baptised? These memories could include involvement with uniformed groups, plays or pantomimes, church weekends, social events etc. These can be short or long, and we would love you to chat to us if you prefer not to write them down

Question we have!

- Are you still in contact with former church members who have moved away? If yes, we are relying on you to help compile a list of people who have moved away so that they can be told what is happening and invited to share their memories and news. We would love somebody to volunteer to take on this task.

What next?

The Planning Group are now starting to gather information to form what we hope will be an informative and interesting display highlighting events in the life of the church since 1966. Next week there will be a plastic crate left on a chair in the vestry where items (in whatever form) can be deposited. Please leave your contact details if you wish to have materials returned to you.

If you would like any further information about the forthcoming Church Anniversary, please contact:

It's essential all the churches work together to find a solution to these difficulties. He wants the Spiritual Weekend to bring people together and encourage them to work and pray for the future. To sign up click here <https://www.leighandhindley.org.uk/spiritual-weekend-2025.html> or alternatively, speak to me or one of the stewards of either churches. David Ogilvy
